Front-End Developer

Anton Dorosh

Hello, my name is Anton Dorosh. I am from Chernihiv region, but now I live in Kyiv. I have been living here since 2013. Now, I learn HTML CSS and JS to become a front-end developer. I have not experience in commercial company or projects, but I believe I reach my goal: I will find a job in IT.

Projects

1. <https://hellenglish.goit.global/>[HTML5, CSS3]
2. <https://cryptohub.goit.global/>.....[HTML5, CSS3]
3. <https://hellenglish.goit.global/>.....[React.js, Node.js]
